Brian - I'll look tomorrow morning and get back to you then on this.

Thanks,
Gary

Subject: BP Storm Water Comments

Hi Stan. I just talked to Pat and Kevin regarding the storm water comments. I am attaching our approach. After you had the opportunity to review this, let's set a time to talk about it. I am in all day tomorrow and I'm traveling on Thursday. If Thursday works better, get let me know and I'll make sure I'm off the road. I will be calling in on Friday.
